The Central Government, on its part, besides writing to the State Governments from time to time for expeditious clearance of the same, has taken the following remedial measures to improve the financial health of domestic sugar industry with a view to enabling it to reduce the cane price arrears:

(i) The levy obligation of domestic sugar factories was reduced from 40% to 30% with effect from 01.01.2000 and, subsequently, to 15% with effect from 01.02.2001; this has further been reduced to 10% with effect from 01.03.2002 and will enable the sugar factories to sell more sugar under free sale quota in the open market and obtain better realization.

(ii) To restrict the inflow of imported sugar in the country, the Central Government (with effect from 09.02.2000) has increased the customs duty to 60% along with the existing countervailing duty of Rs. 850 per tonne.
